

STEPS TO LOG INTO THE MOBILE APP:

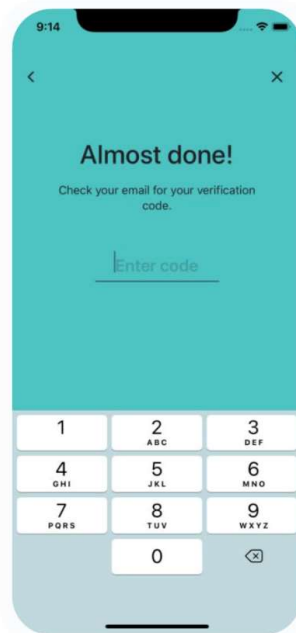

Step 1: Download the “Cvent Events App” and search the Event Name: **Women in Electronics 2020 Leadership Conference: Even Better Together.**

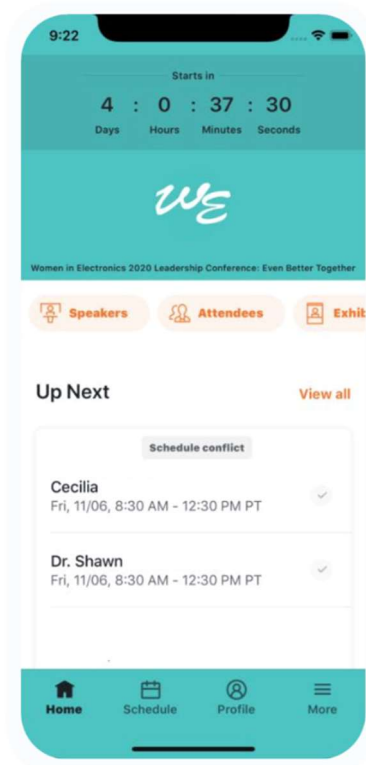

Step 2: Log in using the same credentials you used to register for the conference through the Women in Electronics website.

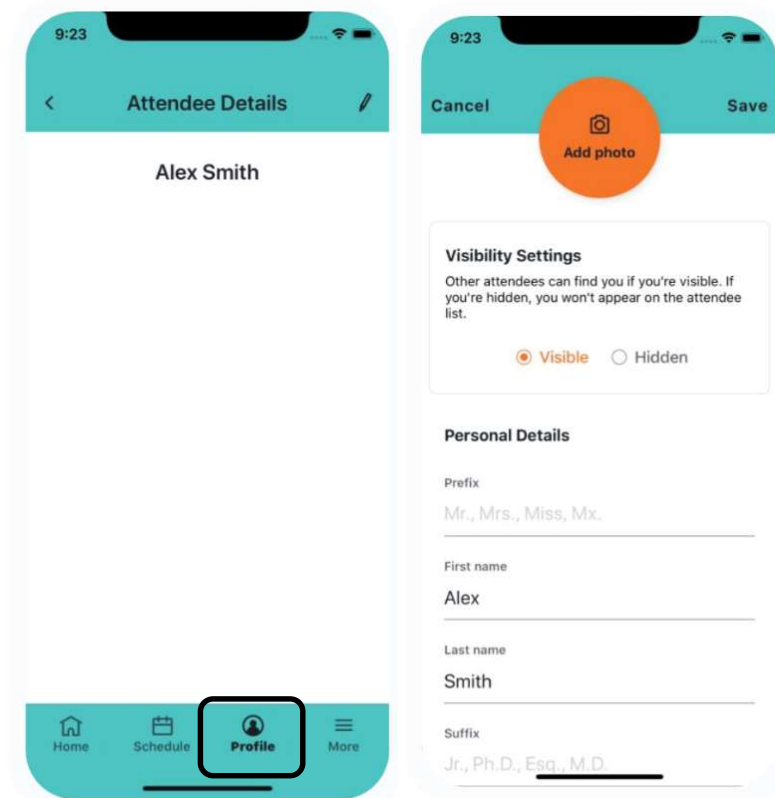

Step 3: You will receive a verification code via email or text message.

Step 4: Once logged in, you will see the Agenda, Attendee List, Speaker List, and more information about the event.

Step 5: You will see a Profile tab, where you can include more information about yourself for other attendees to see.

Once you are logged in, you will be able to edit your profile from the “Profile” tab at the bottom of the app. We encourage you to add your profile image and type in a brief bio for additional networking. Please note: to edit your profile, you will need to do this in the mobile app (this functionality is not available through accessing the Attendee Hub through your computer).

If you have any difficulty with the app before or the day of the conference, please contact admin@womeninelectronics.com.

Thank you for attending our conference!
